

## Registration Procedure

### of aSc Timetables (aSc Saraksti /Latvian/, aSc Tuuniplan /Estonian/, aSc Расписания /Russian/) program for creating of timetables for schools, gymnasiums and other educational institutions

1. Download installation file of the program following this link (~ 12 MB):

<http://www.ibn.lt/counter/click.php?id=2>

and install it in these computers that will be used as workplaces for person(s) working with timetables.

2. Send us by email ([office@ibn.lt](mailto:office@ibn.lt)) or fax license numbers of the program and name of your school, for example:

Rigas 44. vidusskola, Gaujas 10, LV1014, Riga or Tallinn Gymnasium No.5, Technika 50, Tallinn, Eesti

License numbers: 12345678 ; 87654321; 23456789

Email: [school77@school77.lv](mailto:school77@school77.lv)

Web: [www.viduskola77.lv](http://www.viduskola77.lv)

Tel./fax, contact person:.....

License number is made of 8 digits, on every computer it will be different (this screen will appear in language, selected in the program, e.g. English, Latvian, Estonian, Russian):

3. We will send you back Registration code (different for every computer).

Information you will receive will look like:

Name: Rigas 44. vidusskola, Gaujas 10, LV1014, Riga

License number: 12345678

Registration code: FGTR-45RT-TRN5-EW77

License number: 87654321

Registration code: SRT6-HT78-JTYX-WRT7

a) Please enter name of educational institution in the first field (**exactly as it is written, better with Copy/Paste**);

b) Registration code (that match corresponding license number) has to be entered in this field;

c) Press Ok button.

That's it!

Program will be registered and all limitations of demo version (as possibility to save data, print timetable, import and export data, etc.) will be removed.

Note: Licence number will be different on every computer where program is installed, and every licence number is matched by different registration code.

**Also we can offer technical support** – consulting, answers to the questions that arise during work with the program (by email, in english or russian). Service costs 50% of the cost of the program for one year.

- User's Guide in Russian: [http://help.asctimetables.com/index.php?lang\\_id=7](http://help.asctimetables.com/index.php?lang_id=7)

More information you can find on our web site <http://www.ibn.lt>, including page of questions and answers. If any questions, please do not hesitate to contact us.

---

### License agreement

The end user must acquaint with license conditions before installation of the software.

The installation and usage of aSc Timetables and aSc Substitutions software and/or its versions in other languages (Estonian - aSc Tunniplaani, Russian - aSc Расписания, Latvian - aSc Saraksti, Lithuanian - aSc Tvardaraščiai) means that end user agrees with license conditions and **end user is not allowed to:**

- modify this software or its any part in any way, reengineer it or analyze backwards;
- use it in any other way except for needs of user educational institution and only within computers of educational institution that has acquired this software;
- resell or transfer this software and related documentation in any way, original or copy, with or without registration information, to any other third party without written permission of the owner;
- lease this software or use it for needs of other educational institutions.

Program and its documentation, trade names and logos, and other related information, including software itself and user's guides, published in the internet and other public sources is protected by Authors Law and Commercial Code and is copyrighted property of its owners – Applied Software Consultants s.r.o. (Slovakia) and UAB „Tarptautinis verslo tinklas“ (Lithuania).

If you do not agree with these conditions, do not install the program and inform seller or owner of the software accordingly.

With respect,
